

MATILDA

Once upon a time, the two greatest circus performers in the world – an escapologist, who could escape from any lock that was ever invented, and an acrobat, who was so skilled it seemed as if she could actually fly – fell in love and got married.

They performed some of the most incredible feats together anyone has ever seen, and people would come from miles around: Kings, Queens, Celebrities, and Astronauts. And not just to see their skill, but also to see their love for each other, which was so deep that it was said that cats would purr as they passed them, and dogs would weep with joy.
